Illegal Payments to T. B. Weston.

AUDITOR GENERAL'S OFFICE, September 7, 1916.

SIR,—Cheque No. 689, issued by you on the 21st of June last, covers a payment of $62.50 to T. B. Weston, being arrears of salary from April 1, 1915, to June 30, 1916, and appears to be an addition of $50. over and above the statutory increase during that period. On March 31, 1915, the Committee of Internal Economy reported against giving Mr. Weston any increase more than the ordinary statutory increase, and on July 7, I wrote you drawing your attention to the fact that Mr. Weston had been paid at a higher rate than was authorized by the Internal Economy Committee, and the amount was refunded. I now find that you have authorized the Accountant of the Senate to pay Mr. Weston these arrears, and you state that the amount was not paid to him at the time through misapprehension. Please inform me by what authority this increase is given, and whether it has been authorized by the Committee of Internal Economy; and if not, kindly have Mr. Weston refund the amount overpaid him, at once.

I am, sir, Your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, September 13, 1916.

SIR,—I have the honour to acknowledge the receipt of your letter of the 7th instant relative to a payment by cheque No. 689 of $62.50 to T. B. Weston, and in reply have to say that your letter will be referred to the Committee of Internal Economy at its next meeting for any action it may deem necessary in the premises. The payment referred to was to cover extra services by Mr. Weston other than those pertaining to his office, and was made with the approval of the Chairman of the Committee of Internal Economy and Contingent Accounts.

I am, sir, Your obedient servant,

J. C. YOUNG,

The Auditor General. *Deputy Clerk of the Senate.*

AUDITOR GENERAL'S OFFICE, September 25, 1916.

SIR,—I beg to acknowledge receipt of your letter of the 13th instant, with reference to a payment of $62.50 to T. B. Weston. In reply, I would say that as this payment appears to have been made without any authority from the Committee of Internal Economy, and only upon the approval of the chairman, I would request that you obtain a refund from Mr. Weston, and that no further payments be made to him on this account until such time as the Committee of Internal Economy approve of the increase to his salary.

I am, sir, Your obedient servant,

The Clerk of the Senate. J. FRASER, *A.G.*

THE SENATE, OTTAWA, September 27, 1916.

SIR,—Replying to your letter of the 25th instant, on the above subject, I would state that you must have been mis-informed that this payment was made "only on the approval of the chairman" of the Committee on Internal Economy. The payment was made at the suggestion of the Deputy Clerk of the Senate (in my absence), was recommended by Mr. Speaker, and by the Committee on Internal Economy, which was approved by the Senate; *vide* pages 117, 180, and 187 of the Journals of the Senate.

I am, sir, Your obedient servant,

SAM'L E. ST. O. CHAPLEAU, *Clerk.*

The Auditor General.

AUDITOR'S GENERAL'S OFFICE, October 2, 1916.

SIR,—I beg to acknowledge receipt of your letter of the 27th ultimo, with reference to increase in salary of Mr. T. B. Weston, and I note your statement that these payments were authorized by the Committee of Internal Economy, and approved by the Senate, and that the approval is shown upon pages 117, 180, and 187 of the Journals. In reply, I may say that upon reference to the pages quoted I find that on March 24, 1915, the Deputy Clerk of the Senate recommended Mr. Weston for the special increase as provided for by subsection 3 of section 37 of the Civil Service Act, but upon this being submitted to the committee, I find that they did not approve of the special increase, but under date of March 31, they recommended that Mr. Weston receive the usual statutory increase of $50. You have, therefore, no right whatever, under the authorities quoted, to pay Mr. Weston more than the usual $50 increase, and you will kindly have any amount paid him in excess of this refunded at once. I might point out for your information as well that the Committee of Internal Economy are not authorized to grant this special increase, as I find that section 37 reads as follows:—

> "The said increase shall only be authorized by the *Governor in Council* upon the recommendation of the head of the department based on the report in writing of the deputy head and, in case of officers, clerks, and other employees of the second and third divisions to whom a further increase is recommended, accompanied by a certificate of merit from the commission."

I am, sir, Your obedient servant,

JOHN GORMAN, *for A.G.*

The Clerk of the Senate.

NOTE.—These illegal payments are still being made notwithstanding the protest of the Auditor General.

Transfer of Ice-breaker to Russian Government.

AUDITOR GENERAL'S OFFICE, OTTAWA,
August 25, 1916.

SIR,—Under the authority of an Order in Council dated 14th March, 1914, a contract was entered into with the Canadian Vickers, Limited, for the construction of an ice-breaking steamer (the *J. D. Hazen*) for $998,583.

Payments on progress estimates amounting to $349,504.05 have been made. There is also a charge for supervision of $350 and transfer from ship channel, $1,086.39, in all $350,940.44.

A deposit receipt has been received from your department for $299,574.90, and an application to transfer the contractor's security deposit of $49,929.15, making a total of $349,504.05.

I understand that your department intends asking for the release of Vickers Company from their contract to enable them to sell the ice-breaker to the Russian Government.

You are aware of the fact that the cost of construction of vessels has increased, probably 35 or 40 per cent, since the making of this contract, and in cancelling the same the Dominion Government would be parting with a valuable asset, and I do not see how you can justify the placing in the hands of the Canadian Vickers Company an opportunity to make a profit of possibly $300,000 or $400,000.

If it is intended as a friendly act to one of the Allies to give them the benefit of such an excellent contract, I would suggest that the constructing company be not released but that the contract be assigned to the Russian Government, unless it is ascertained that the price to be paid by them to the Canadian Vickers Company is not in excess of the contract with the Dominion Government.

Before authorizing the transfer of the security deposit, I would like to know on what terms and conditions the sale is to be made to the Russian Government.

I am, sir, your obedient servant,

J. FRASER, *Auditor General.*

The Deputy Minister, Marine and Fisheries.
